Assemblymember James C. Ramos invites you to uplift the community

In partnership with Uplift Family Services and regional and state leaders in behavioral health

Suicide Awareness and Prevention Virtual Town Hall

Monday, November 15
5:30 - 6:45 p.m.
*Live*Stream

Don't miss this important and timely community conversation on YouTube or Facebook Livestream. Visit asmdc.org/dr/mental-health-town-hall for more details.

Learn about available mental health resources and tools and create awareness in the community for suicide prevention.

This will be an opportunity to discuss the funding provided to Assembly Bill 2112 and the purpose for establishing an Office of Suicide Prevention.
